SUMMARY

Second-year Production Engineering undergraduate with strong interests in mechatronics and mechanical systems, aerospace systems, and hardware design and industrial automation. Experienced in CAD modeling, CFD analysis, and electromechanical system integration through hands-on robotics and autonomous aerial system projects, including the development of a bio-inspired ornithopter prototype. Skilled in design for manufacturing, materials selection, and sensor-actuator interfacing, with a practical approach to lightweight mechanical design, prototyping, and iterative engineering development

SKILLS

3D Modelling & Simulation

- SolidWorks , AutoCAD, NX, ANSYS

Programming Language & Data Analysis

- Python, NumPy, Pandas, C,C++ , Quality Control

Mechanical Engineering

- Mechanical Design, Aerodynamics, Material Selection, Rapid Prototyping, Industrial Automation
- CFD,GD&T, Assembly and testing, Failure Analysis, Kinematics & Dynamics

INVOLVEMENTS

Hardware Team Member | Jadavpur University Mechatronics Club

May 2025 – Present

- Working on robotics hardware development involving CAD, fabrication, embedded systems, subsystem assembly, and performance optimization for autonomous robotic applications.

Chassis & Fabrication Team Member | Jadavpur University Motorsports Club

Sep 2025 – Present

- Worked on chassis manufacturing, vehicle assembly, subsystem validation, and performance refinement for student motorsport applications.

PROJECTS

International Rover Challenge 2026

- Worked on planetary rover development involving hardware assembly, sensor interfacing, and autonomous subsystem testing

RoboFest 5.0 Autonomous Ornithopter – Team Lead

GUJCOST, Gujarat | Mar 2025 – Jan 2026

- Developed a bio-inspired autonomous ornithopter prototype
- Worked on mechanism design, electronics integration, embedded programming, and CAD modelling for aerial monitoring applications

EDUCATION

Bachelor of Production Engineering (SGPA-9.55)

Jadavpur University, Kolkata-700032

Aug 2024 - Present

Higher Secondary Examination-2023,

Bagdoba Jalpai High School, Purba Medinipur-721633

Mar 2021 - Feb 2023

- Successfully cleared examinations in PCMB and English with an aggregate score of 96.4%

ADDITIONAL INFORMATION

- **Courses:** ROBO-AI course by MY EQUATION (3D modelling, Electronics Systems, PCB designing, ROS, Python Programming)
- **Languages:** English, Bengali, Hindi.
